6. Your Account is Set Up – Opens up to your Dashboard

The screenshot shows the patient dashboard on ccctracker.com. The left sidebar contains navigation options: Dashboard (highlighted), Blood Pressure, Search Volunteers And Providers, My Volunteers And Providers, Messages, Alerts, My Profile, Reminders, Resources, Help, and Signout. The main content area features a form titled 'ADD A BLOOD PRESSURE READING' with fields for Systolic/Diastolic numbers, Heart Rate, Date, Time, Reading Source, and Comment. A 'Save' button is at the bottom. To the right is a 'Weekly Blood Pressure Report Readings*' chart showing trends for Systolic, Diastolic, Systolic Hypertension, and Diastolic Hypertension from 28 Nov to 05 Dec.

7. Enter your first blood pressure reading from your Dashboard. You only need to enter the systolic (top number) and diastolic (bottom number), Date & Time auto complete based on when you open the Dashboard and can be edited as needed. Reading Source is optional and defaults to Home.

This is a close-up of the 'ADD A BLOOD PRESSURE READING' form. The 'Systolic or top number (mmHg)' field is circled in green and contains the value '118'. The 'Diastolic or bottom number (mmHg)' field is also circled in green and contains the value '79'. The 'Date' field is '2016-12-05' and the 'Time' field is '04:20 PM'. A green arrow points to the 'Save' button at the bottom of the form.

8. Click “Save” and you will receive a green confirmation message that your blood pressure reading was added:

Blood Pressure reading added successfully. Keep up the good work!
