- 4. HIE Stroke Registry**
- 5. Stroke Services Hospital Survey**

NC Stroke System of Care

The **Stroke Advisory Council** works to link communities and health systems to facilitate care coordination and to increase capacity for providing quality stroke care. Therefore, the Stroke Advisory Council developed **NC Stroke System of Care Strategies** to support efforts to prevent strokes; increase access to care; increase quality, coordinated care; enhance recovery from stroke; and advocate for the prevention and management of stroke.
