Community Health Workers

A vital extension to our healthcare system

"A Community Health Worker (CHW) is a frontline public health worker who is a trusted member of and/or has an unusually close understanding of the community served."

[American Public Health Association, Community Health Workers.
Published 2009.](#)

Promotorx de Salud

Una extension vital de nuestro sistema de salud

"Un(a) Promotor(a) de salud (CHW, por sus siglas en inglés) es un(a) trabajador(a) de salud pública de primera línea que es un(a) miembro(a) de confianza y/o tiene un conocimiento inusualmente cercano de la comunidad a la que sirve."

[Asociación Estadounidense de Salud Pública, Promotores de Salud.
